## PUBLIC NOTICE

September 6, 2016

To: Engineering Professionals and Construction Companies

From: Miguel Bordallo, P.E., General Manager 

CC: Guam Attorney General's Office

Subject: Adoption of Contract Documents from the Engineers Joint Contract Documents Committee (EJCDC)

Hafa Adai,

This Public Notice is to inform all engineering professionals and construction companies who may be interested in providing professional engineering or construction services to the Guam Waterworks Authority, that the Consolidated Commission of Utilities has approved the adoption of contract documents from the Engineers Joint Contract Documents Committee (EJCDC) into GWA's project procurement regime. The actual change in project procurement documentation relative to this adoption will occur within the next few months. GWA highly recommends all engineering professionals and construction companies familiarize themselves with the project procurement documents from the EJCDC. Exhibit A attached herein is a copy of the CCU Resolution approving the adoption of the EJCDC Contract Documents.
