June 20, 2017

Bid Amendment No: #1

Invitation for Bid No: 2017-14

For: Vehicles and Pickup Trucks

Prospective Bidders are hereby notified of the following:

1. The scheduled bid opening date on June 29, 2017 at 10:00 a.m. has been rescheduled.

New bid opening date and time is scheduled for July 12, 2017 @ 10:00 a.m.

2. Under I. BID ITEMS(s), has been amended to insert new Item Nos, **Item No. 7.0 and Item No. 7.1** as shown on the attached AMENDED VERSION of page 18.

AMENDED VERSION

Guam Waterworks Authority
Invitation for Bid Number: GWA 2017-14
For Vehicles and Pickup Trucks

As provided under 28 G.A.R. Chapter 4, any reference in the Solicitation to a manufacturer brand name or product number is due to GWA's need to provide minimum satisfactory product specifications. A "brand name or equal" reference is solely intended to provide a description of the type or quality of products or services sought by GWA and not to limit bids nor restrict a vendor from providing equivalent products or services of the same quality and construction. However, where a "brand name or equal" is set forth in the specifications, bidders must clearly state and provide proof of the quality and compatibility of the exact articles they are offering.

I. BID ITEM(s)

<u>Item No</u>	<u>Description</u>	<u>Qty</u>	<u>Unit Cost</u>	<u>Total Cost</u>
1.1	New Current Model Mini 4 x 4 Sport Utility Vehicle	2 each	_____	_____
1.2	Option to Purchase 5 Year Power Train and Vehicle Service Plan			_____

GENERAL SPECIFICATION ON ITEM 1.1 (OR APPROVED EQUAL):

Engine:

- V6, 3.0 L or higher displacement
- EFI emission control device

Transmission:

- Automatic.

Transfer case:

- 4-wheel drive.

Steering:

- Power and tilt steering if available.

Brakes:

- Power 2-wheel anti-lock disc brake system.

Alternator:

- Recommended by manufacturer.

Battery:

- Recommended by manufacturer.

Seats:

- Cloth front bucket seats and rear 60/40 split cloth seats.

Radio:

- Am-FM stereo with clock, factory installed and 4 speaker system.

Tires:

- Manufacturer's standard wheels and Tires.
- Manufacturer standard spare tire.

Body:

- 5 doors (4 side one rear lift gate or door).
- Complete five (5) year rust proofing with guarantee and/or electronic rust evader.
- Air conditioning to be included.
- White in color preferred.

Standard features:

- Self-canceling signal lights.
- Center rear view mirror (inside).
- Front Seat head rests.
- Carpeted flooring with floor mats for both front and rear (if applicable).
- Dual side view mirrors.
- Front and rear factory bumpers.
- Factory Mud guards.
- Complete tire jack and lug wrench and any other equipment necessary to change tires.
- One (1) complete parts catalog for each vehicle.
- A vehicle maintenance/service manual in English for each vehicle.
- Owner's manual and warranty booklet.

Additional add on:

- Full tank of fuel at delivery.
- Complete mounting hardware for license plates (installed).
- 2' heavy duty light bar mounted on the top of the vehicle that is amber in color with a 12v DC plug-in type.

GENERAL SPECIFICATION ON ITEM 1.2

5 Year Power Train and Vehicle Service Plan.

Preventive Maintenance as per factory recommendations for a period of five (5) years, all servicing of the vehicle as required/specified in the owner's manual shall be included in the bid price per vehicle. The servicing period shall be for five years regardless of mileage from the date of delivery and acceptance of the goods by GWA. The servicing shall include, but not be limited to all parts, diagnostic testing, labor, and disposal fees at no additional cost to the Guam Waterworks Authority. In the event that any maintenance or service will require a vehicle to be kept longer than 24 hours (or overnight) depending on delivery time, GWA shall be provided an equivalent or better "loaner" vehicle as determined by GWA for the duration the vehicle is in the custody and care of the Vendor. The loaner vehicle will be returned when the GWA vehicle is ready for pickup.
