Invitation To Bid: IFB-02-ENG-2019
Upgrade of the Northern District Wastewater Treatment Plant
GWA Project No. S17-003-OEA

Addendum No.: 02

Date: February 8, 2019

All Qualified Bidders:

This addendum is issued to modify the previously issued bid documents and/or given for informational purposes and is hereby made a part of the bid documents. Failure to acknowledge receipt of this addendum shall be grounds for the bidder's disqualification and rejection of the bidder's proposal.

1. Part A – GWA Request For Information Response 2 to Contractor Inquiries
GWA's response to contractor RFI inquiries are attached to this addendum.

2. Part B - Bidder Qualifications Statement/Questionnaire

Bidder Qualification Statement/Questionnaire, part 12 – Construction Experience, Similar Experience, first and second paragraph shall be revised in their entirety to read:

List on **Schedule B** a minimum of five (5) Similar Projects in contract size or scope to the Upgrade of the Northern District Wastewater Treatment Plant Project. The five projects shall include a minimum of four (4) construction projects with design and construction governed by U.S. Design Standards (i.e. NEC, AWWA, ASME, NFPA, UBC, ASCE, etc.). Each individual Projects' cost for four of the Similar Projects must be greater than or equal to US \$20,000,000. At least one of the Similar Projects must be for construction of a wastewater treatment plant or other similar treatment process with a minimum plant flow of 2 million gallons per day (MGD) average dry weather flow and a cost greater than or equal to US \$10,000,000.

One (1) of the Similar Projects must have been completed in the past 5 years and the others must have been completed within the past (15) fifteen years. All reference projects must involve multi-disciplines of structural, civil, architectural, mechanical, electrical and instrumentation components as applicable. These projects shall demonstrate coordination with the Owner on system integration, shutdown, startup

and did not have any overflows or spills associated with the work. The bidder must have been the primary contractor for all of the projects listed in this section. Describe projects in terms of degree of difficulty, challenges encountered, resolutions etc., or any pertinent information that might be used to evaluate your request for qualification. Each project reference shall include the name and contact information for the client and/or the contracting agent if not the same as the client. GWA reserves the right to contact references to confirm information provided.

Bidders are also notified to visit the GWA website: www.guamwaterworks.org to ensure that addenda to the bid, answers to questions, and reminders are communicated to all bidders throughout the solicitation process.

GWA RFI Response No. 2 to Contractor Inquiries

This Addendum and/or Response to Request for Information (RFI) is issued to modify the previously issued bid documents and/or given for informational purposes and to the extent the responses below modify the bid documents, please treat them as an amendment to the Bid. The following responses are in response to RFIs received.

RFI	DATE	QUESTION/INQUIRY AS SUBMITTED:	GWA RESPONSE:
2	2/5/19	<p>QUESTIONS:</p> <p>Due to the limited opportunity to construct wastewater treatment plant (WWTP) within the specified period or dollar amount. Will the Government reconsider adjusting the relevancy to the following:</p> <ol style="list-style-type: none"> 1. Extending the similar construction experience completion date for up to 15 years? 2. Lowering the minimum dollar value amount for the WWTP experience to \$10M or more? 	<p>1. & 2. Refer to this Addendum, Part B. GWA has adjusted the Similar Experience requirements accordingly, however it should be noted that these requirements are not pass/fail but are based on scoring criteria outlined in Section 00250 – Bid Submission Requirements. Bidder is encouraged to submit its best experience that meets these requirements. Higher value and more recent projects will score higher.</p>

Bidders are also notified to visit GWA website: www.guamwaterworks.org to ensure that addenda to the bid, answers to questions, and reminders are communicated to all bidders throughout the solicitation process.
