BID OPENING NOTIFICATION

This is a notification for all GWA Engineering CIP Projects advertised for bid. Bid opening procedures will remain the same, bid proposals will be opened and read in public.

However, during this unprecedented period and rapidly evolving COVID-19 challenge, safety of our employees and customers are paramount to us. To comply with the required personal distancing, we **are limiting the number of witnesses during bid opening to ONE (1) representative per company submitting bid proposal.**

Thank you for your cooperation.
