GWA IFB No. 2021-04 relative to Laptop Computers and Tablets Response to Inquiries No. 1

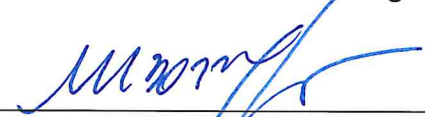

This Addendum and Response to Request for Information (RFI) is issued to modify the previously issued bid documents and/or given for informational purposes and to the extent the responses below modify the bid documents, please treat them as an amendment to the Bid. The following responses are in response to RFIs received from potential bidders on December 30, 2020

REF:	QUESTION/INQUIRY AS SUBMITTED:	GWA RESPONSE:
Questions from December 30, 2020		
1.	GWA has specified that Item 2.0 should have Android 7.1 Operating System. Would GWA accept a newer operating system from what is specified?	Yes.
2.	GWA has specified the accessories on Item 2.0 — Keyboard, Rugged Case and Truck Mount. Can you be more specific on the End of keyboard and truck mount? For example, there are several kinds of truck mount — floor universal, dashboard, seat, and cup holder.	Truck mount specifications: <ul style="list-style-type: none">• Universal Mount• Tablet holder swings on vertical indexing hinge for easy access to dashboard or correct positioning for passenger use.• Installs quickly using passenger seat floor plate or center console as a solid base.• Does not interfere with airbag deployment and allows comfortable seating for passenger• Works equally well for LH and RH drive cars

			<p>with floor or column shift</p> <p>Keyboard specifications:</p> <ul style="list-style-type: none"> • Water-proof/sealed against liquids • LED backlighting for nighttime or ambient light use • USB connection
