### **GWA IFB No. 2020-01 relative to Variable Frequency Drive System GWA Response to Inquiries No. 3**

This Addendum and Response to Request for Information (RFI) is issued to modify the previously issued bid documents and/or given for informational purposes and to the extent the responses below modify the bid documents, please treat them as an amendment to the Bid. The following responses are in response to RFIs received from potential bidders on February 05, 2021.

REFERENCE:	QUESTION/INQUIRY AS SUBMITTED:	GWA RESPONSE:
<b>Questions from February 05, 2021</b>		
Q# 1	We would like to request a site visit for this bid ...I understand that one was done last year but we will need to re-verify part numbers, VFD sizes, etc. for the pump stations.	<b>Potential bidders are hereby advised a site visit has been scheduled for <u>Thursday, February 18, 2021 at 9:00 am.</u> Bidders must meet at Tumon, Fujita Pump Station.</b>
<b>Questions from February 11, 2021</b>		
Q# 2	We would like to request a 2-week extension for the bid opening of GWA IFB No. 2021-01 for Variable Frequency Drive System. This is due to the time needed to communicate, review/clarify the specifications/SOW and obtain pricing from the vendor. We also have been experiencing delay in vendor communication due to the ongoing pandemic.	<b>Please refer to Bid Amendment No. 3</b>

Bidders are also notified to visit GWA website: [www.guamwaterworks.org](http://www.guamwaterworks.org) to ensure that addenda to the bid, answers to questions, and reminders are communicated to all bidders throughout the solicitation process.
