GWA IFB No. 2021-09 relative to Water Booster Pumps & Motors

Response to Inquiries No. 1

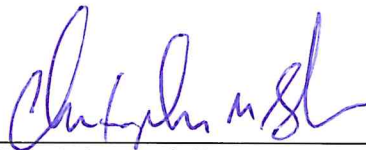

This Addendum and Response to Request for Information (RFI) is issued to modify the previously issued bid documents and/or given for informational purposes and to the extent the responses below modify the bid documents, please treat them as an amendment to the Bid. The following responses are in response to RFIs received from potential bidders on March 09, 2021

	REFERENCE:	QUESTION/INQUIRY AS SUBMITTED:	GWA RESPONSE:
	Questions from March 09, 2021		
	1.	Please confirm that all goods and services to be provided under these IFB are manufactured in the United States. Does this mean that this procurement has to comply with the Buy American Act (BAA)?	Not for this procurement.
	2.	Has a policy been formally introduced and adopted by GovGuam, the PUC, the CCU and/or GWA to adopt the BAA even if the procurement funding source is not coming from the US government?	No formal policy regarding the BAA has been adopted by the CCU or GWA.
	3.	On “ <i>Section IV. Special Provision 6. Warranty and Services</i> ”, it states, “GWA may in certain limited circumstances such as where GWA’s ability to provide service to its customers is at risk or has already been impacted, require a replacement to be provided within 72 hours after such notice has been provided to vendor”.	<p><u>Under IV. SPECIAL PROVISIONS, Section 6. WARRANTY and SERVICE:</u></p> <p>The sentence stating, “GWA may in certain limited circumstances such as where GWA’s ability to provide service to its customers is a risk or has already been impacted, require a replacement</p>

			<p>be provided within 72 hours after notice of such need has been provided to the vendor.”</p> <p>Has been amended to now read as, GWA may in certain limited circumstances such as where GWA’s ability to provide service to its customers is a risk or has already been impacted, require a replacement be provided within 90 days after notice of such need has been provided to the vendor.</p>
