Northern Guam Lens Aquifer (NGLA) Monitoring System Expansion for the Guam Water and Wastewater
Infrastructure Improvement Program (Re-Bid)
GWA Project No. W20-001-OEA
IFB-03-ENG-2021
RFI Response No. 2 to Contractor Inquiries

This Addendum and/or Response to Request for Information (RFI) is issued to modify the previously issued bid documents and/or given for informational purposes and to the extent the responses below modify the bid documents, please treat them as an amendment to the Bid. The following responses are in response to RFIs received.

	REFERENCE	QUESTION/INQUIRY AS SUBMITTED:	GWA RESPONSE:
3	Section 01 35 44	Please reconfirm contractor is required to follow all the requirements listed in Section 01 35 44 MEC/UXO which includes providing a MEC plan for approval and establishing explosive safety zones prior to work.	Contractor is required to follow all requirements set forth in Section 01 35 44 MEC/UXO which includes but is not limited to, providing notice of excavation activities and explosive safety risks made to residents, motorists, and pedestrians within established explosive safety zones. For clarification, an MEC/UXO Plan (i.e. notify Commanding Officer of military base, notice to residents, motorists, and pedestrians..., consider alternate work schedules, and conduct 3 "R"s, etc.) shall be developed and submitted to DoD as it relates to obtaining the Excavation Permit

Bidders are also notified to visit GWA website: www.guamwaterworks.org to ensure that addenda to the bid, answers to questions, and reminders are communicated to all bidders throughout the solicitation process.
