**GWA IFB No. 2021-08 relative to Pickup Trucks and Vehicle  
 Response to Inquiries No. 3**

This Addendum and Response to Request for Information (RFI) is issued to modify the previously issued bid documents and/or given for informational purposes and to the extent the responses below modify the bid documents, please treat them as an amendment to the Bid. The following responses are in response to RFIs received from potential bidders on May 22 and 24, 2021.

REF:	QUESTION/INQUIRY AS SUBMITTED:	GWA RESPONSE:
<b>Questions from May 22, 2021</b>		
1.	In regards to 1.1, 2.1, 3.1, 4.1, 5.1, and 6.1 - Option to Purchase 5 Year Power Train and Vehicle Service Plan: Would you accept a service plan <b>without</b> a loaner provided in the event that any maintenance or service will require a vehicle to be kept longer than 24 hours (or overnight)?	<b>No, we will not accept a Vehicle Service Plan without a Loaner Vehicle contingency, as this forces the vendors to ensure quick response to our vehicle needs.</b>
2.	Is this an all or nothing bid. Are we able to bid on only some of the items requested if unable to bid on all items?	<b>No, this is not an All or None bid.</b>
<b>Questions from May 24, 2021</b>		
3.	We feel that the bid spec is unfair due to the fact that only one brand and company meets the engine displacement requirement of 2.7 liters, furthermore the size of the motor has nothing to do with its performance specifications. Current technology has promoted the creation of engines capable of	<b>As to the “Engine Size and Liter”, the specification is in conjunction with the “Towing Capacity” stated on the bid General Specification and is based on the towing needs of GWA operation. If the Vehicle</b>

	<p>creating more horsepower and torque with a decrease in engine size, fuel consumption and emissions. A minimum required horsepower / torque specification or min avg MPG would be understandable as this will effect usage and day to day operational expenses however engine displacement is an irrelevant number.</p>	<p><b>with a 2.5L Engine can meet the specified "Towing Capacity", GWA will accept this vehicle.</b></p>
