GWA IFB No. 2022-04 relative to Control Panel

Response to Inquiries No. 2

This Addendum and Response to Request for Information (RFI) is issued to modify the previously issued bid documents and/or given for informational purposes and to the extent the responses below modify the bid documents, please treat them as an amendment to the Bid. The following responses are in response to RFIs received from potential bidders on December 10, 2021.

REF:	QUESTION/INQUIRY AS SUBMITTED:	GWA RESPONSE:
Questions from Dec 10, 2021		
1.	<p>We would like to request for information/clarification on the ff.:</p> <p>Submittal required to be submitted along with this IFB</p> <ol style="list-style-type: none"> 1. Product Submittal (cut sheet) for Pressure Transmitters 2. Control Panel Layout including Enclosure and Base Dimensions 3. Control Panel Schematic 4. Control Panel bill of material <p>As per Grundfos this is a customized panel they are unable to provide the abovementioned items until they have an actual order and GWA approved submittals. It takes 2 weeks for Grundfos to prepare these documents. They are able to provide standard/general panel submittals for Grundfos CUE Series and Hydro MPC-F systems to provide general</p>	<p>The information may be provided after the bid has been awarded but prior to manufacturing/assembly of the panel.</p>

	information but they do not exactly match your configuration.	
2.	<p>We will also need the information below in order to provide accurate programming, components and pricing:</p> <ul style="list-style-type: none"> • Max flow of all pumps • Min inlet pressure • Max inlet pressure • Set point • System Boost • Voltage • Max allowed pressure • System Layout 	Please refer to “Response to Inquiries No. 1”

Bidders are also notified to visit GWA website: www.guamwaterworks.org to ensure that addenda to the bid, answers to questions, and reminders are communicated to all bidders throughout the solicitation process.
