IFB No. 2022-03 relative to Fire Hydrant “Wet Barrel”

Response to Inquiries No. 3

This Addendum and Response to Request for Information (RFI) is issued to modify the previously issued bid documents and/or given for informational purposes and to the extent the responses below modify the bid documents, please treat them as an amendment to the Bid. The following responses are in response to RFIs received from potential bidders on March 23, 2022

REF:	QUESTION/INQUIRY AS SUBMITTED:	GWA RESPONSE:
Questions from March 23, 2022		
1.	Can we request for another two-week postponement on above subject for the wet barrel bid? The reason is that most manufacturer we are working are only now figuring out their pricing resulting from the skyrocketing price of raw materials such as scrap metals, factory material inventory and taking into consideration bid validity of prices for 120 days per your requirements.	Please refer to Bid Amendment No. 2

Bidders are also notified to visit GWA website: www.guamwaterworks.org to ensure that addenda to the bid, answers to questions, and reminders are communicated to all bidders throughout the solicitation process.
