GWA IFB No. 2022-05 relative to Galvanized Pipes

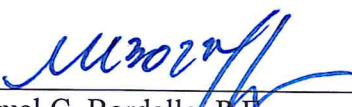

GWA Response to Inquiries No. 1

This Addendum and Response to Request for Information (RFI) is issued to modify the previously issued bid documents and/or given for informational purposes and to the extent the responses below modify the bid documents, please treat them as an amendment to the Bid. The following responses are in response to RFIs received from potential bidders on May 05, 2022

REF:	QUESTION/INQUIRY AS SUBMITTED:	GWA RESPONSE:
Questions from May 05, 2022		
1	<p>I am respectfully requesting to lower the quantity of the pipes to just 20% due to the bid bond requirement, since the bid is indefinite and not guaranteed that the quantity will be awarded.</p> <p>The bid bond requirement aggrieved our interest to participate and is unfair if the total quantity that is specified will not materialize. We are proposing that additional bid bond be issued if the order exceeded the 20% quantity reduction that we are proposing or not at all since only company with good standing record will bid.</p>	<p>Under I. BID ITEMS, Item No. 1.0 the EST QTY has been amended to now read as, <u>EST QTY: 75</u> and Item No. 2.0 to read as, <u>EST QTY: 25</u>. Also to insert to read TOTAL AMOUNT of bid cost.</p>

Bidders are also notified to visit GWA website: www.guamwaterworks.org to ensure that addenda to the bid, answers to questions, and reminders are communicated to all bidders throughout the solicitation process.
