IFB No. 2023-13

Global Positioning System (GPS)

Response to Inquiries No. 1

This Addendum and Response to Request for Information (RFI) is issued to modify the previously issued bid documents and/or given for informational purposes and to the extent the responses below modify the bid documents, please treat them as an amendment to the Bid. The following responses are in response to RFIs received from potential bidders on March 30, 2023

REF:	QUESTION/INQUIRY AS SUBMITTED:	GWA RESPONSE:
Questions from March 30, 2023		
1.	Item No. 1.4 has reached its manufacturer end of life and is no longer available. Does GWA have the preferred replacement specifications or shall the bidder source an acceptable replacement using the specifications of the TRUPULSE360 (INTEGRATED BLUETOOTH)?	The laser rangefinder replacement must be supported by the TerraFlex application. Those currently are LaserTech TruPulse 200, 200X, and 360°. Source: https://help.trimblegeospatial.com/TerraFlex/Laser-rangefinders.htm
2.	Item No. 1.7 Trimble TDC 650 Pouch comes with item 1.0 TDC 650 GPS Data Collector. Is it the intent of GWA to have four (4) additional pouches for item 1.0?	No. Since Item 1.0 already comes with a pouch, Item 1.7 is no longer necessary.
3.	Is GWA IFB NO. 2023-13 Global Positioning System (GPS) Equipment an "All or None" bid?	No.
4.	We request to extend the delivery time from the bid specified 45 days after receipt of order to 120 days to allow for manufacture post pandemic operations recovery, raw materials shortages, labor shortages, and likely shipping delays.	Delivery extension time is acceptable.

5.	IV. SPECIAL PROVISIONS, SECTION 6. Warranty and Service, PART C. - Please clarify this section as its language is ambiguous.	Item should be disregarded.
----	---	-----------------------------

Bidders are also notified to visit GWA website: www.guamwaterworks.org to ensure that addenda to the bid, answers to questions, and reminders are communicated to all bidders throughout the solicitation process.
