	QUESTION/INQUIRY AS SUBMITTED:	GWA RESPONSE:
Questions from May 13, 14, and 15, 2024:		
1.	If a Bid amount is less than \$100,000, the bid bond can be waived or not?	No. A bid bond must be submitted.
2.	What is the threshold for bid bond requirement for IFB 2024-02?	All bidders are required to submit bid security in the amount of 15% of their total bid amount which must also indicate that the security is not only for a bid bond, but also for performance under this Bid as required by 5 G.C.A. 5312. Failure to submit a proper bid bond will cause the bid to be rejected.
3.	What is the intended use for solicited galvanized pipes? is it for waterline use or chain-link fence?	The purpose of these pipes is to substitute faulty pipe columns in our deep well facilities.
4.	If possible, Pls provide similar sample drawings for your requirements.	There are no sample drawings available.
5.	I am requesting to lower the quantity of 4" pipe to 20 pcs and 5" to 10 pcs since the bid is an indefinite quantity. The reason is the higher quantity of the items would require higher Bid Bond that aggrieves and discourages bidders to participate.	Please refer to the following Amended Version Revised. Estimated quantities adjusted for Item No(s) 1.0 and 2.0.
6.	I don't think it mentions the date due on the bid form. When is the deadline to submit the bid?	The deadline for submission is clearly stated on the front page under the heading: "INVITATION TO BID". All bids must be received by 10:00am on May 29, 2024.

Bidders are also notified to visit the GWA website: www.guamwaterworks.org to ensure that any addenda to the bid, answers to questions, and reminders are communicated to all bidders during the solicitation process.
