IFB No. 2024-18
Handheld Global Positioning System Equipment
Response to Inquiries No. 2

This addendum serves to revise the previously issued bid documents and/or provides additional information for informational purposes. In cases where the responses below result in modifications to the bid documents, please consider them as amendments to the original IFB 2024-18. The following responses address RFIs received from potential bidders on August 22, 2024.

	QUESTION/INQUIRY AS SUBMITTED:	GWA RESPONSE:
1.	Item 1 - You are currently requesting 4 units TDC6-1-100 GPS, then under item 7, you are only requesting 1 unit of the Trimble R2 GNSS surveying receiver. For your information, you would need 3 additional receivers to operate each GPS unit.	GWA intends to have two units actively in production, while the other two units will serve as standby units. Quantity for Item 7.0 on page 5 is amended to read "2"
2.	On item 10, did you only need 2 units of the power banks? Recommend at least two power banks per system.	Yes, only two units of the power banks are needed.
3.	Last request, due to the limited time, will there be a possible extension for the bid opening until we can get clarification.	Bid Opening scheduled for August 29, 2024, at 10:00 am. Has been rescheduled. Now to Read: September 5, 2024, at 2:00 pm.

Bidders are also notified to visit the GWA website: www.guamwaterworks.org to ensure that any addenda to the bid, answers to questions, and reminders are communicated to all bidders during the solicitation process.
