

Design of Santa Rita Springs Rehabilitation
 GWA Project No. 12305
 RFP No. CIP-202400002,1
 GWA RFI Response No. 1 to Inquiries

This Addendum and/or Response to Request for Information (RFI) is issued to modify the previously issued bid documents and /or given for informational purposes and to the extent the responses below modify the bid documents, please treat them as an amendment to the Bid. The following responses are in response to RFIs received.

	DATE	QUESTION/INQUIRY AS SUBMITTED:	GWA RESPONSE:
1	08/20/2024	“1) Can GWA provide a copy of the decision document that determined that an Environmental Assessment is the level of NEPA needed / required for this project? 2) Can GWA provide copies of any environmental impact review done on the project leading to the decision on the Environmental Assessment, and any comments previously provided on the proposed action.”	This Project is partially funded by USEPA grants. It is mandatory of all USEPA grant projects to comply with the requirements of NEPA, which includes but is not limited to, an Environmental Assessment. Copies of documentation relevant to NEPA review can be provided to the selected design firm.

Bidders are also notified to visit GWA website: www.guamwaterworks.org to ensure that addenda to the bid, answers to questions, and reminders are communicated to all bidders throughout the solicitation process.
