

Design of Santa Rita Springs Rehabilitation
 GWA Project No. 12305
 RFP No. CIP-202400002,1
 GWA RFI Response No. 2 to Inquiries

This Addendum and/or Response to Request for Information (RFI) is issued to modify the previously issued RFP documents and /or given for informational purposes and to the extent the responses below modify the RFP documents, please treat them as an amendment to the RFP. The following responses are in response to RFIs received.

	DATE	QUESTION/INQUIRY AS SUBMITTED:	GWA RESPONSE:
1	09/09/2024	1. "The subject RFP states that funding for the design services are from a United States Environmental Protection Agency (USEPA) grant. Can you please clarify what the grant awarded from the Bureau of Reclamation (BOR) under the FY23 WaterSMART Planning and Project Design program for this project is intended to fund?"	The grants awarded from USEPA and BOR will fund the Design of Santa Rita Springs Rehabilitation project.
2	09/09/2024	2. "Would USEPA or BOR be the lead federal agency for completion of the NEPA process?"	GWA to confirm and will inform the selected firm at a later date.
3	09/09/2024	3. "Have there been any testing for PFAS at the project site and if so, can the results of detection be provided at this time?"	Copies of documentation relevant to the water quality results can be provided to the selected design firm after contract award.

Proposers are also notified to visit GWA website: www.guamwaterworks.org to ensure that addenda to the RFP, answers to questions, and reminders are communicated to all proposers throughout the solicitation process.
