 Response for Inquiries**

This document addresses inquiries regarding IFB 2025-04. It provides clarifications and additional information for informational purposes. In the event that any responses result in modifications to the bid documents, they should be considered as amendments to the original IFB 2025-04.

QUESTION/INQUIRY AS SUBMITTED:		GWA RESPONSE:
Questions from March 10, 2025		
1.	Are you able to grant the extension?	GWA has taken your request into consideration and will be amending the following deadlines: Deadline for Submission: April 4, 2025, at 2pm Bid Opening: April 4, 2025, at 2:30 pm
2.	1) The GROVE Crane that meets the specs has been discontinued. 2) Our vendor, WPC&E may be able to get an already built RT530E from a previous Gov't. Bid that was canceled. They requested the delay to get all the details. 3) The unit may be a brand new & unused 2023-2024 Model GROVE Crane. Will the Authority accept that model year? It will come with a Full Warranty.	Yes, this would be acceptable as long as it meets the bid specifications and warranty requirements.

Bidders are also notified to visit the GWA website: www.guamwaterworks.org to ensure that any addenda to the bid, answers to questions, and reminders are communicated to all bidders during the solicitation process.
