IFB No. 2025-23 6,000 Callon Capacity Water Tankers Response for Inquiries No. 2

This document addresses inquiries regarding IFB 2025-23. It provides clarifications and additional information for informational purposes. In the event that any responses result in modifications to the bid documents, they should be considered as amendments to the original IFB 2025-23.

QUESTION/INQUIRY AS SUBMITTED:		GWA RESPONSE:
Questions from March 6, 2025		
1.	Would it be possible to extend the bid submission deadline by exactly one week, in light of these freight complications directly tied to the recent tariffs?	GWA has taken your request into consideration and will be amending the following deadlines: Deadline for Submission: May 16, 2025 at 10am Bid Opening: May 16, 2025 at 10:30 am
2.	Our manufacturer—one of the nation's largest tanker producers in the U.S. —is experiencing considerable delays across the board. Given these widespread production impacts, would GWA be open to considering a delivery window closer to 360 days?	AMENDMENT TO IFB NO. 2025-23 Section V – Special Provisions, Subsection 6: Delivery “Delivery is required within 180 calendar days from the purchase order date, unless otherwise specified.” is now amended to read: “Delivery is required within 360 calendar days from the purchase order date, unless otherwise specified.” All other provisions remain unchanged.

Bidders are also notified to visit the GWA website: www.guamwaterworks.org to ensure that any addenda to the bid, answers to questions, and reminders are communicated to all bidders during the solicitation process.
