Notice to Prospective Bidders

Please be advised to add the following changes:

**All or None Bid Requirement**

For this solicitation, GWA requires "All or None" bids by meter size classification as listed in the bid schedule. Bidders must submit a complete offer for all line items within each classification. Partial bids within a classification will be deemed non-responsive and may be rejected.

This requirement is intended to ensure that GWA engages a single vendor per meter classification, minimizing administrative burden and facilitating consistent warranty and support obligations. GWA reserves the right to reject any bid that fails to meet this requirement or selectively accept only compliant classifications at its sole discretion.

All other terms and conditions remain unchanged.
