IFB No. 2025-19 Facility Damage Repairs Caused by Mawar Response for Inquiries No. 1

This document addresses inquiries regarding IFB 2025-19. It provides clarifications and additional information for informational purposes. In the event that any responses result in modifications to the bid documents, they should be considered as amendments to the original IFB 2025-19.

QUESTION/INQUIRY AS SUBMITTED:	GWA RESPONSE:
Questions from June 25, 2025	
<p>1. Reference to the bid package that all bids must be accompanied by 15% Bid and Performance bond, we would like to ask if GWA allowed to use the 100% Performance bond for our bonding company and did not approve the 15% Performance bond as per project requirements.</p> <p>Kindly let us know if GWA allowed this option, 15% Bid Bond and 100% Performance Bond which is common. Otherwise, please let us know other options</p>	<p>GWA confirms that the solicitation requires a 15% Bid/Performance Bond, consistent with the requirements for services contracts under Guam Procurement Law.</p> <p>However, if the bidders submit a 100% Performance Bond instead of a 15% Bid Bond, GWA will accept it, provided it meets all other terms and conditions outlined in the solicitation.</p>

Bidders are also notified to visit the GWA website: www.guamwaterworks.org to ensure that any addenda to the bid, answers to questions, and reminders are communicated to all bidders during the solicitation process.
