IFB-05-ENG-2025

Design-Build of Sarmiento Booster Pump and Waterline Replacement

GWA Project No. 12504

Response to RFI No. 01

This Addendum and/or Response to Request for Information (RFI) is issued to modify the previously issued Invitation for Bid (IFB) documents and/or given for informational purposes and to the extent the responses below modify the proposal documents, please treat them as an amendment to the IFB. The following are responses to RFI's received:

NO.	DATE	QUESTION/INQUIRY AS SUBMITTED	GWA RESPONSE
1	05/20/2025	The RFP states that only companies that attended the bid walk are eligible to bid. Can a company that attended the bid walk partner or JV with company that did not attend?	<p>Only prospective bidders who attended the mandatory pre-bid conference and site visit will be eligible to submit a bid; the bid documents do not place any restriction on the awarded bidder from subcontracting portions of the work to firms that did not attend.</p> <p>Attendance at the mandatory pre-bid conference and site visit is deemed satisfied when a representative of the registered bidding entity is present. For Partnerships or Joint Ventures, the entity must be formally registered for this procurement, and its representative must have clearly indicated such affiliation in the attendance log.</p>
2	5/21/2025	Does GWA publicly share award information? If so, could you kindly let me know where it would be posted?	Yes. Upon awarding, a Notification of Award will be posted on our GWA Bids web page for Invitation for Bids (IFB).
3	5/21/2025	We would also like to request a 3 weeks extension for Bid submission for material outsourcing and Bid bond request.	The bid submission date will be extended from June 12, 2025 to June 26, 2025 through Addendum No. 1.
4	5/22/2025	We would like to request a 3 weeks extension for the bid submission in line with materials outsourcing and Bid Bond request.	Please see GWA response to Item No. 2 in reference to the extension of the bid.

Offerors are also notified to visit the GWA website, <http://guamwaterworks.org/bids/> to ensure that addenda to the IFB, answers to questions, and reminders are communicated to all offerors throughout the solicitation process.

Miguel C. Bordallo, P.E., General Manager
