IDIQ for Professional Design, Project Management and Construction Management for Various Water System Projects RFP-05-ENG-2025 GWA Project No. 12599 Response to RFI No. 1 to Contractor Inquiries

This Addendum and/or Response to Request for Information (RFI) is issued to modify the previously issued Request for Proposal (RFP) documents and/or given for informational purposes and to the extent the responses below modify the proposal documents, please treat them as an amendment to the RFP. The following are responses to RFI's received:

NO.	DATE	QUESTION/INQUIRY AS SUBMITTED	GWA RESPONSE
1	11/21/2025	1. Under Minimum Qualifications for the firm, the Final package states the following: "The firm must have 10 consecutive immediate prior years of direct experience successfully delivering design, construction management, project management, and/or technical consulting services specifically in the field of Electrical, Controls, and Instrumentation." In addition, under preferred qualifications, is states the following: "The firm has 5 consecutive immediate prior years of direct experience in municipal water and wastewater related projects." and "The firm has 5 consecutive immediate prior years of direct experience in water production, water distribution, wastewater collection, and wastewater treatment equipment, for example, pumps and motors, centrifuge, water quality analyzers, pressure transmitters, flow meters, level transmitters, etc." Please clarify if these qualifications apply to this RFP (Water), or if those are actually for the Wastewater and ECI RFPs. If a revision will be issued to clarify these requirements, we are requesting an extension of the deadline to submit a proposal.	1. Please refer to Addendum No. 1.

Offerors are also notified to visit the GWA website, <http://guamwaterworks.org/bids/> to ensure that addenda to the RFP, answers to questions, and reminders are communicated to all offerors throughout the solicitation process.
