Lifeline Consumption is the first 5000 gallons on your account with the rate of $2.91 per 1,000 gallons.

Non-lifeline Consumption is anything in excess of the first 5,000 with the rate of $7.48 per 1,000 gallons.

SUPPLEMENTAL ANUNITY SURCHARGE:

A rate of 3.85% is applied to the non-life line portion of bills for all customer classes and types established for the purpose of allowing GWA to recover costs assessed by the Guam Legislature for the purpose of paying benefits to retirees of the Guam Waterworks Authority and the Public Utility Agency of Guam.

**Note: Not all locations are billed from the 1st to the end of each month. Please inquire with Customer Service as to when your area is normally read for the billing cycle.

Documents required to apply for services are as follows:

- Rental/Lease Agreement
- Authorization from owner/landlord or property manager to apply for utilities.
- Proof of property ownership (i.e. title, deed or purchase agreement), if you are the owner / new owner.
- Previous reference meter number, last account holder / tenant / owner.
- Proper service location (i.e. house / building number, unit number).
- Specific map/sketch to location that service is requested for.
Information about your account.....

- Service connection may occur within 3 to 5 working days from schedule date.
- Customers are responsible for payment of all services provided from when the meter is installed.
- Service charges start from the time water services are available and are not prorated.

(please initial) Basic Monthly Service Charge: w/Septic Sewer $16.31 w/Public Sewer $42.92
- Service charges are billed regardless of consumption and are not prorated.
- When vacating the premises, customers are required to inform GWA either in writing or in person to terminate account.
- Customers are responsible for all bills until account is officially closed.
- If you fail to receive a billing, please contact GWA. Failure to receive a bill does not relieve customers of the obligation to make payment.
- If payment is not received and you are disconnected, a reconnection fee of ($45.00) or ($145.00) if meter size over 1 ½”.
- Inquire with a GWA customer service representative as to the approximate date your area is read.
- Please ensure that all water fixtures are shut off prior to meter reconnection.
- GWA is not responsible for water damages, flooding and excessive charges due to unsecured faucets upon reconnection.
- The consumer (owner of property) is required to install a private side valve.
- It is the responsibility of the customer to ensure that the meter is accessible. Please keep the area clear of any obstructions.
